

Kindergarten Enrollment Referral Grant

We want your kindergartner to have the best possible experience and for that we would love to grow their class which will help with their socialization and learning skills. To help us grow we would like to offer

a grant to you of **\$1,000 off** of your tuition this year if you refer to us a new kindergartner for this year and they stay the whole year. The \$1000 will be applied to your final payments.
