

THE MOUNT CARMEL Early Childhood Center

Beginning on **November 9th**, **The Drop-In Center at Mount Carmel** will take place in our large, bright, indoor meeting hall. As the weather gets cooler, our Drop-In Center will provide a place for parents and caregivers to gather with their children for a morning of exploration, discovery and fun!

The play space, filled with age-appropriate toys and equipment, is specially designed to offer babies and toddlers a safe, engaging morning of play with each other and their caregivers. An early childhood coordinator will facilitate the program.
