

Configure User Defined Fields for HS Placement

From the Main Menu please select **System > Configuration** and **Select User Defined**

Select **Additional Student Information**

Select **Add Fields**

Enter the **Field Name** as **“HS Scholarship Amt Recvd”** and Select **Integer** as **Field Type**

The 'Add Field' dialog box contains the following elements:

- Field Name ***: A text input field containing "HS Scholarship Amt Recvd". A callout box labeled "1. Enter HS Scholarship Amt Recvd" has an arrow pointing to this field.
- Field Type ***: A dropdown menu with "Integer" selected. A callout box labeled "2. Select Integer" has an arrow pointing to this dropdown.
- Buttons**: "Cancel" and "Add Field" buttons. A callout box labeled "3. Select Add Field" has an arrow pointing to the "Add Field" button.

Select **Add Fields** again and Enter the **Field Name** as **“Planned High School”** and Select **Text** as **Field Type**

The 'Add Field' dialog box contains the following elements:

- Field Name ***: A text input field containing "Planned High School". A callout box labeled "1. Enter Planned High School" has an arrow pointing to this field.
- Field Type ***: A dropdown menu with "Text" selected. A callout box labeled "2. Select Text" has an arrow pointing to this dropdown.
- Buttons**: "Cancel" and "Add Field" buttons. A callout box labeled "3. Select Add Field" has an arrow pointing to the "Add Field" button.

The fields will now appear

The 'Fields' table displays the following data:

Reorder	Name	Field Type	Delete
=	Immigrant	Yes/No	
=	HS Scholarship Amt Recvd	Integer	
=	Planned High School	Text	
=	Migrant	Yes/No	

A callout box labeled "The fields will now appear" has two arrows pointing to the delete icons of the "HS Scholarship Amt Recvd" and "Planned High School" rows.
